

2017 - Sponsorship Program

Dear Business Leader,

We are pleased to present our 2017 Corporate Sponsorship Program. This guide outlines the major sponsorships and promotional opportunities that are available to local companies.

By becoming an On the Road Collaborative Corporate Sponsor, you will become a partner in connecting local underserved middle school youth with career enrichment experiences and caring adults during the out-of-school hours at a critical time in their life.

Our Corporate Sponsorship Program is unique in that unlike most events, our program and the promotional opportunities last throughout the entire year. We believe our corporate sponsors are true partners and we take great pride in celebrating your commitment to the community.

We invite you to join us in setting local youth on the road to college and career and building a stronger community for us all!

In Service,

A handwritten signature in black ink that reads "Brent".

Yes, I want to be an On the Road Collaborative Corporate Sponsor!

\$5,000 Presenting Sponsorship

Presenting Sponsors serve as organizational partners in empowering local youth to fulfill their promise. Your funds provide major support for our middle school programming AND expansion of services to the high school so that we can continue building the road to college & career for the young people we serve.

\$2,500 Champion Sponsorship

Represents major support for the On the Road Collaborative middle school program. Your investment directly funds an entire youth for a year of program as well as a 10-week Career Enrichment Project for a group of 12-15 middle school youth.

\$1,500 Scholar Sponsorship

You will fund a middle school youth for an entire year of our afterschool program. This means you will provide a year's worth of career enrichment learning, academic support, leadership development and caring adult relationships for a youth during a critical time in their life.

\$1,000 Career Sponsorship

You will fund a 10-week real-world Career Enrichment Project for a small group (12-15) of middle school youth. Your gift will expose youth to new career opportunities, build real-world skills and learn alongside local volunteer professionals known as Community Teachers.

\$500 Leader Sponsorship

You will fund a summer learning experience for one middle school youth. Summer is a time when many of our youth fall behind. With your gift, you will help a youth attend a summer learning experience, helping them to stay on the road to college & career.

\$250 Village Sponsorship

You will fund a field trip for a Career Enrichment Project that helps to extend learning beyond the classroom walls and into the community.

Please complete and return this form to On the Road Collaborative (attn: Brent Holsinger)
via email (brent@ontheroadcollaborative.com) or mail (P. O. Box 1393 Harrisonburg, VA 22803).

Sponsorship payment may be made via check or online at ontheroadcollaborative.com/donate.
