Program Quality

[Council on Accreditation](#)

[Measuring Youth Program Quality: A Guide to Assessment Tools, 2nd Ed.:](#) From the Forum for Youth Investment, this is an extensive guide designed to compare the purpose, structure, content and technical properties of several leading youth program quality assessment tools.

[United Way:](#) From United Way, the Out-of-School Time Program Quality toolkit can help providers understand the key elements of program quality, connect to resources from other United Ways and from national organizations working to improve quality.

[Youth Today: OST HUB:](#) Youth Today is an independent newspaper for professionals in the youth services field. Their OST Hub provides professional development resources such as publications and webinars for OST providers. Here the Program Quality: Evaluation and Program Assessment portion of the hub, provides materials and resources.
